

Dear Parents,

Welcome to Western Toledo Preparatory Academy—Home of the Huskies! We welcome you and your family to our public charter school, with a unique focus on competitive sports and academics. Our pinpoint is in the Holland-South Toledo area; our campus is co-pinpointed with Our Lady of Lourdes Church. We are enrolling grades K-8 for the 2022-23 school year.

Our mission is to promote the academic, emotional, and physical development of our students through the promotion of teamwork, sportsmanship and athletic competition. By developing these skills, student-athletes will become confident and capable contributing members of our community.

We believe family, fitness, and academics create the best kind of childhood & healthiest foundation for a life well-lived. We teach core academic subjects in the mornings, reserving afternoons for fitness & for students to pursue special interests like competitive sports and art throughout our 18-acre campus.

- Academics – we teach an Ohio Standards-based curriculum and individualize instruction to each student by assessing students on a bi-weekly schedule to know if a student is working ahead, falling behind, or right on track. We teach our core subjects of English Language Arts, Math, Social Studies & Science every morning.
- Fitness & Extracurricular – all students participate in our afternoon PE program which includes Health topics & Fitness activities. In addition to general PE, students in grades 4-8 can choose their sports and participate in Art classes. Grades K-3 learn fundamentals for all sports offered and more within their general PE class.
- Family – we value families, partnership & participation—within the school community & at home. All sports team practices and most games are scheduled during the school day to keep evenings free for family time.

We want to thank you for choosing Western Toledo Prep!

Mr. Kechan Johnson Principal
