

Western Toledo Preparatory Academy is a growing public charter school for competitive sports and academics located on an 18-acre campus in the Holland-South Toledo area. The award-winning school promotes family, fitness, and academics to create a healthy foundation for a well-lived life.

Students engage in core academic subjects in the mornings, reserving afternoons for fitness, competitive sports, and special interests. All team practices and most games are scheduled during the school day to keep evenings free for family time. Academic and athletic programs help students develop the mindset, motivation, teamwork, and toughness to excel in sports, school, and in life. The WTPA footprint is expanding to include a baseball and softball field and six new classrooms. A satellite EK-8 campus offering a well-rounded, college preparatory education opened in Fall 2023 to serve the Spring Meadows neighborhoods of Holland.

MISSION STATEMENT

To promote academic, emotional, and physical development with our students by promoting teamwork, sportsmanship, and athletic competition. By developing these skills, student-athletes will become confident and capable contributing members of our community.
